About the show

This show, Mythbusters is from Discovery Channel. The purpose of the show is to put an urban legend (or a myth) to the test, and check the possibility. In this episode, they are going to test the Bug-Bomb myth. There's a pesticide called Bug-Bomb in US, and the story goes like this. The family who overloaded the Bug-Bombs to kill roaches in their house heard a boom when they were evacuating from the bug-killing they were doing, and returned to the house to find it totally blown up.

And do you think this myth is...

TRUE

MIGHT BE TRUE

JUST A MYTH!

And the reason is?
